Custom Applique Price & Design Chart

rev. April. 2005

Note: Pinstripes are not available on the SRP (Small Reserve Pilot chute) hat. If you would like pinstripes on an SR Prig, they must be on the midflap only.

If you would like an applique different than the ones shown here, you may design your own custom applique. The price is **\$40/hour** to cover the cost of designing custom patterns.
